CGPA: 8.11

SCHOLASTIC ACHIEVEMENTS

- Ranked among the **top 1%** (out of **1.4 Mn+**) in **JEE Main** & cleared **JEE Advanced** among **250,000+** candidates [2024]
- Awarded a prestigious **2 year Avanti Fellows** (Center Of Excellence) through the highly competitive **Dakshana Exam** [2022]
- Achieved **2nd** District Rank in the prestigious National-Level science talent examination, **Vidyarthi Vigyan Manthan** [2020]

KEY PROJECTS

Interactive 3D Web Experiences with Three.js | Seasons of Code | WnCC, IIT Bombay [May'25 - Jul'25]

- Enhanced engagement by developing interactive **3D web** experiences with **Three.js**, using **dynamic graphics** for results
- Improved visibility by designing & implementing a **3D portfolio** in **Three.js**, React, ensuring smooth navigation & controls
- Created over **15+** compelling web elements using **lighting, shading, rendering, and animation**, enhancing user experience
- Documented and maintained **3D web projects** on a public **GitHub repository**, facilitating collaboration and accessibility

Understanding Effects of Interest Rate Hikes | Finsearch | UGAC, IIT Bombay [Jun'25 - Aug'25]

- Collaborated in a team of **4** to research **inflation trends, market volatility**, and effects on **stocks, bonds and derivatives**
- Analyzed how **interest rate hikes** affect consumer spending, business **investments, borrowing costs**, and **bond markets**
- Carefully studied the influence of interest rate changes on **inflation trends, currency value**, and **market stability** factors
- Documented complex financial impacts of interest rate fluctuations clearly through data-driven reports and **visualizations**

Data Structures and Algorithms | Summer of Science | MnP Club, IIT Bombay [May'25 - Jun'25]

- Learned core concepts including Linked Lists, Recursion, Queue, Stack, **Binary Tree, hash, Hashing** and **Bit Manipulation**
- Drafted comprehensive report for each **Data Structure and Algorithm** which contained the implemented **C++** programs
- Successfully solved **30+** diverse coding problems covering Arrays, Recursion, Stacks, Queue, tree, and **Graph Algorithms**
- Explored algorithmic **time** and **space** complexities to better improve solution performance and **computational** efficiency

Data Science Fundamentals with Python | LS | Analytics Club, IIT Bombay [Jun'25 - Jul'25]

- Gained practical data manipulation and analysis skills by completing a comprehensive **Data Science with Python** course
- Built effective **data visualization** expertise using Pandas, NumPy, & Matplotlib, thereby strengthening hands-on learning
- Solved real-world problems by applying **statistics, data cleaning**, and exploratory **data analysis** concepts systematically
- Improved data-driven **decision-making** by developing strong **Python** skills for **statistical** analysis and predictive analytics

Alive in the Box-3D Modeling AR | Vision 2025 | The Design Club, IIT Bombay [Jan'25 - Mar'25]

- Developed realistic **3D character** models using **Blender**, enhancing immersive AR experiences for Vision 2025 showcase
- Created interactive 3D environmental assets, improving **visual storytelling** and audience engagement at The Design Club
- Optimized models for **AR applications**, ensuring smooth performance and high-quality rendering throughout the project

Drone Joystick Controller | Course Project | Prof. Joseph John [Oct '24 - Nov '24]

- Delivered highly **precise hardware modeling** by developing a wireless drone remote control using **EasyEDA & AutoCAD**
- Ensured **signal consistency** in test flights by integrating **transmitter, receiver**, and **microcontroller** modules effectively
- Optimized **joystick** ergonomics, control precision by engineering a bespoke controller using **CAD design** and **3D printing**
- Delivered **technical documentation** for future cohorts by recording complete **design lifecycle** and **testing methodology**

Start-up Analysis | Course Project | Prof. Anu Narasimhan [Mar '25 - Apr '25]

- Analyzed the **business model**, major revenue streams, customer segmentation and competitive positioning of a **start-up**
- Examined **financial statements**, including **Balance Sheets** and **Profit & Loss** accounts, to assess company performances
- Conducted a detailed **market analysis** to evaluate key **industry trends**, competitors strategies, and growth opportunities
- Presented findings and **data-driven** recommendations to **150+** students, effectively communicating key business insights

POSITIONS OF RESPONSIBILITY

Web Core Team Member | Student Alumni Relations Cell, IIT Bombay [Apr'26 - Present]

Leading 2-tier **80+** student body organizing **50+** events, bridging **70K+** alumni **12K+** students | Budget: **INR 3M**

- Built and deployed scalable full-stack features for the **IIT Bombay Yearbook** platform, serving **9,400+** users and handling **145,000+** API requests while driving measurable sustained significant growth in user engagement and content generation.
- Leading a team of **6** Web Coordinators, overseeing development workflows and ensuring timely, high-quality project delivery

Web & Tech Coordinator | The Entrepreneurship Cell, IIT Bombay [Sep'25 - Dec'25]

Asia's largest student run entrepreneurship promoting body | Annual Budget: **INR 60M+** | Patronage: **UNESCO**

- Developed **20+ responsive websites** by collaborating with a team of **12+ members** to deliver seamless user experiences
- Improved **user experience**, amplified **creativity**, and consistently measured positive impact on **web** engagement metrics
- Developing a mobile app using **React Native & Django**, facilitating effective communication among users and organizers

Competitions and LYP Coordinator | Mood Indigo, IIT Bombay [Sep'25-Present]

Asia's largest College Cultural Festival | Footfall: **154K+** | Colleges: **7K+** | Events: **240+** | Competitions: **65+**

- Conceptualized and executed **65+** impactful large-scale cultural competitions, engaging **25,000+** participants nationwide
- Led and mentored a cross-functional team of **200+** Cultural Heads, ensuring smooth coordination and flawless execution
- Orchestrated nationwide eliminations in **15+** cities, partnering with regional fest committees for consistent event delivery
- Designed & implemented a robust evaluation framework with **150+ expert judges** for fair assessments across **10+** states

Events Coordinator | Aavhan, IIT Bombay [Apr'25-May'25]

One of the Biggest Sports Fest in Mumbai | **15+** Sports | **5000+** Participants | **300+** Colleges

- Led strategic planning and seamless execution of a national sports festival with **5000+** athletes from over **300+** colleges
- Coordinated logistics for **15+** sporting events over **3 days**, ensuring smooth operations, athlete satisfaction & scheduling
- Successfully coordinated **diverse volunteer teams** to ensure **seamless operations** and a highly collaborative experience

COURSES UNDERTAKEN

Programming	Artificial Intelligence and Data Science*, Computer Programming and Utilization
Mathematics	Calculus, Linear Algebra & Differential Equations
Environmental Science	Environmental Chemistry, Applied Environmental Microbiology and Ecology*, Fundamentals of Air Pollution Science* and Engineering, Air Pollution Monitoring Laboratory*
Others	Introduction to Entrepreneurship, Psychology Physical Chemistry, Organic and Inorganic Chemistry, Makerspace, Economics*

TECHNICAL SKILLS

Programming Languages	C++, Python(NumPy, Matplotlib, Pandas, SeaBorne, Scikit-Learn)
Development	Angular, React, Three.js, CSS, TeX LaTeX, HTML, Javascript, Django
Software	Fusion 360, Blender, GitHub, Visual Studio ,Google Collab, Figma, Canva

EXTRACURRICULARS

Sports	• Won a Bronze Medal at the Inter-IIT Volleyball Tournament as IIT Bombay volleyball team member [24] • Captained the team at the Institute Volleyball League (IVL), showcasing leadership and teamwork [25] • Secured 3rd place in Javelin Throw at the Regional Athletics Tournament, showing athletic skills [22] • Secured 2nd place in the 400m run at the State Level Athletic Meet, successfully organised by NVS [22] • Won a silver medal in the Institute Kho-Kho League, actively demonstrating teamwork & strategy [25] • Won Gold Medal in the Freshieshta Volleyball General Championship among 6 competitive teams [25] • Served a playing member in the Spree Tournament held in Goa, showing skills and sportsmanship [25]
Academic	• Participated in the Terre Green Olympiad, organised by The Energy and Resources Institute (TERI) [19] • Achieved top academic scores in 10th grade at JNV udiyakala, recognized by School Association [22]
Training	• Achieved Yellow Belt in Seiko Kai Karate International India, demonstrating discipline and fitness [20] • Completed 100+ hours of NCC training, developing leadership, discipline, confidence, teamwork [25]
